CITY CENTER

Neighborhood Event Date: Saturday, March 7, 2026

The center of our city's civic life, arts, and cultural attractions, and a hub of economic activity, City Center is where the region comes together to work, engage, and celebrate. Anchored by prominent government buildings, performance venues, and public institutions, the neighborhood reflects the city's historic foundations and its evolving urban identity. The revitalization and adaptive reuse of many historic structures have introduced new residential, retail, and commercial spaces, bringing renewed energy to its streets.
